SUMMARY

Motivated Software Engineering student with strong interest in full-stack web development. Experienced in building responsive web applications using HTML, CSS, and JavaScript, with Intermediate proficiency in React and growing knowledge of backend development. Proven ability to develop functional projects, manage version control using Git/GitHub, and solve real-world programming problems. Seeking a Summer Internship to apply technical and problem-solving skills in a professional environment.

EDUCATION

Abasyn University Peshawar <i>Bachelor of Science in Software Engineering (6th Semester) — CGPA: 3.3</i>	2023 – Present
Government College Peshawar <i>FSc Pre-Engineering — 741 / 1100 (67%)</i>	2021 – 2023

PRACTICAL EXPERIENCE

Front-End Development Practice <i>Self Projects / University Work</i>	2023 – Present
– Built responsive web applications using HTML and CSS, improving mobile usability and layout consistency across devices – Developed JavaScript applications such as To-Do App and Movie App with 5+ interactive features including add, delete, and status tracking – Practiced backend development fundamentals including APIs and request-response flow understanding – Used Git and GitHub for version control, managing 10+ project updates and maintaining organized repositories – Improved problem-solving skills by solving 50+ coding challenges during self-learning	

PROJECTS

[Tech Hunk Clone Website](#)

- Responsive website using HTML and CSS with modern UI layout structure

[To-Do App](#)

- Task management application with JavaScript implementing CRUD operations and real-time updates

[ATM Machine](#)

- Console-based ATM simulation system with authentication logic and transaction handling features

[Attendance Management System](#)

- Web-based attendance system built using JavaScript and backend logic for data management

[Portfolio Website](#)

- Personal portfolio showcasing projects, technical skills, and development experience

SKILLS

HTML, CSS, JavaScript, React (Intermediate), Backend Development (Learning), Python (Basic), Git, GitHub

CERTIFICATIONS

CSS Fundamentals (Udemy)
Meta JavaScript Programming (2024)
React Basics - Meta Coursera (2025)
Advanced React - Meta Coursera (2025)
